Photography Packages

These prices are for clients who wish to purchase photographs through OliveriFairy.

Full Photo Session: \$75

We'll meet at an agreed upon location and play for about an hour. An hour goes by really quickly, so this works best for couples or small families. During this hour I will have you mostly play and interact as a family and I will try to stay in the background as much as possible. Some poses may be requested, but I'm looking for NATURAL MAGIC. You will be provided a \$25 credit towards photos.

Maternity and New Arrival \$200

This package includes a photo session during the maternity stage and a photo session shortly after the baby is born. You will receive 2 full photo sessions as listed above, plus 25 birth announcements.

Full Photo Session plus a hardcover book \$225

This is a full photo session plus the design of a 25 page scrapbook containing pictures from the session. Only a limited number of these sessions will be offered each year.

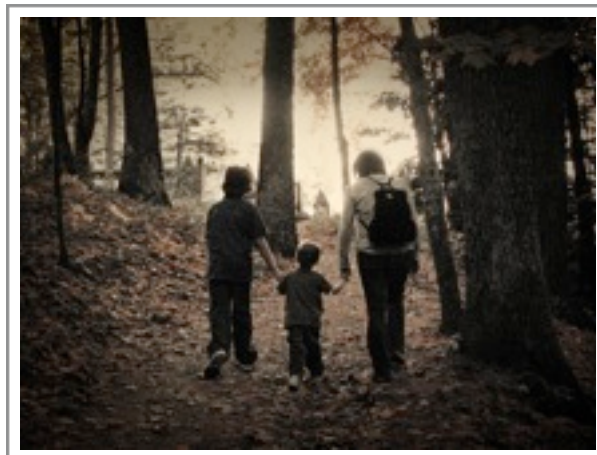

*Additional packages are available. Inquire.

Buy the Rights

\$250

These prices are for clients who wish to purchase the rights to the photographs taken at our session. This means you will receive a cd with the digital files to all your photos. You have the right to print photos anywhere you choose. You may email digital copies to friends and family, however, you may not submit the photos to contests or claim them as your own. You receive all the same treatment from a full photo session, plus a CD with all photos from the session. There is no minimum order should you choose to have your photos professionally printed through OliveriFairy.
